

Morgan Thompson

morganthompsonportfolio.weebly.com

An old vagabond that loves a good story, **Morgan Thompson** is a Cherokee artist that loves telling stories. She is Keetoowah Cherokee with membership in Cherokee Nation and comes from the Cherokee Nation Reservation in Northeastern Oklahoma. When not drawing, you can find her writing, and when she isn't writing you can find her beading. She has a deep love for her Cherokee community and telling Indigenous stories to a wider audience.
